My dear sir,

Please refer to your D.O.letter dated the 4th November, regarding a cutting from the "Pioneer" about the restoration of cantonments by the British Government. When I last saw Mr.Barton, I took the opportunity of referring to this matter in the course of our conversation and I understood from him that there was no likelihood of any new departure from the policy of the British Government regarding Civil and Military Station and that the notification referred to in the paper related to an abandoned small area in Gwalior which was no longer required by the Military Department.

Yours sincerely,

W Ismail
